THE NEWS.

Compiled from Eate Dispatchesi

CONGRESSIONAL.

In the Senate or the 11th Mr. Voorbees of fered a resolution-calling for information as to the supply of boef to-Indians. Mr. Butlet presented a resolution for a special commit-tee to examine into the condition of the Na-tional Banks of New York City... In the House the Biver and Harbor bill was further considered, and a motion to strike out the clause for the construction of the Hennepin Canal was lost.

THE Senate on the 13th passed the Consular and Diplomatic Appropriation bill and indulged in a lively discussion of the Mexican Pension measure.... In the House the River and Harbor hill was passed—157 to '105—after striking out—146 to 102—the Hennepin Canal clause.

In the Senate on the 13th a treaty for an in ternational copyright and patent system which had alrendy been ratified by twenty which had already been ratified by twenty four Governments was rejected. A long debate took place on a bill to pay the State of Georgia \$15,555 for money expended in the common defense in 1777, but no action was taken. Adjourned to the 18th.... In the House the Senate amendments to the Post-office Appropriation bill as to the item for lotter-carriers and railway transportation were disagreed to. At the evening session seventy-six bills were passed.

SEXATE not in session on the 14th In the House the session was devoted to considera tion of the amendments made by the Senate to the Post-office bill. It was agreed to make the appropriation for special mail facilities on the trunk lines \$250,000. A motion to incroase to \$4,300,000 the item for railway post-office clerks was lost, and the House insist-ed on disagreement with the Senate.

DCMESTIC.

The report that fifteen hundred United States troops were to be concentrated along the Mexican border to assist President Diszin suppressing any revolutionary movements led by General Cortinas and other rebel Mexican Generals was denled on the 12th.

AT New Albany, Miss., Mayor J. R. Beeves and Lloyd Ford, a desperado, fired five times at each other recently, Ford being fatally shot.

A FIVE-STORY building in New York, occupied principally by Street & Smith, publishers of the New York Weekly, was damaged by fire on the 12th to the extent

WHILE workmen were engaged upon a gas main at Wheeling, W. Va., recently the gas, which had been let on to test the joints, became ignited by a plumber's lamp and blazed up, severely burning six men, two fatally.

THE publishing house of Cushing, Thomas & Co., of Chicago, was closed by the Sheriff on the 12th.

A FIRE on the 12th in a building oc cupied by two rubber companies, in Boston, caused a loss of \$490,000. Sixteen firemen were injured by an explosion in the third story.

conquerors. A WATER-SPOUT & few days ago in Akuisig, Russian Turkestan, destroyed seventy houses and drowned forty per-

RICHARD . HOWARD and three com panions, names unknown, were drowned in Toronto Bay a-few nights ago by the capsizing of a boat,

ening resolutions were adopted against the Lord-Lieutenant of Ireland should be carry out his intention to visit that city. THREE THOUSAND employes of worsted mills at Bradford, Eng., struck on the 14th for higher wages. The stone-masons had also struck. There was much disorder,

At a monster meeting of Orangemen

held in Bolfast, Ireland, on the 15th, threat-

broken. AT Jeres, Spain, seven members of the Black Hand Society were executed the other day for a Socialistic outrage, and five others were sentenced to imprisonment for life.

Liverpool for Philadelphia on the 14th,

LATER NEWS. WHILE workmen were engaged in sinking a well for a new pumping engine at the Wheeling (W. Va.) city water works at the Wheeling (W. Va.) city water works on the löth, the excavation having reached a depth of fifty-two feet, quicksand was noticed oozing into the well beneath the wooden wall. The contractor ordered all men from the well, and all reached terra firma in safety, when the pressure on the wooden shell collapsed it and the earth caved in for a space of twenty-five feet on each side of the well, carrying the hoisting derrick, engine and two men to a depth of forty feet. One man, John Smith, a carpenter, aged forty, of Wellsville, O., was buried beneath the mass. Patrick Scullen, a miner, of East Liverpool, was dangerously crushed, but was gotten out alive.

New Zealand advices by the steamer Zealander, which arrived at San Francisco on the 17th, says that the British iron ship Syria, from Calcutta to Fiji, having aboard 480 coolies, ran on the Nasali reef and seventy coolies were drowned. All the crew but three are missing.

M. G. NORTON, of Winona, Minn., elected at Chicago as a member of the National Republican Comm ittee for Minne-sota, has sent his resignation to the State Central Committee. It is thought the com-mittee will appoint Ex-Governor Davis.

WHILE witnessing a balloon ascension at Bordeaux, France, on the 15th, George W. Roosevelt, United States Consul, was shot by a French soldier, who then escaped. The bullet passed through Roosevelt's hat, contused his head and knocked him over. It is supposed the soldier mistook the Consul for an officer in civilian's dress against whom he had a grudge.

Advices from Greenland received in London on the 16th state that the brig Eleria had been crushed in the ice and cen of the crew were drowned.

of the crew were drowned,

A BILL was reported favorably in the Senate on the 16th increasing the appropriation for public buildings in Eric, Pa., from \$15,500 to \$500,000. Mr. Plumb reported the Army Appropriation hill; it appropriates \$255,000 more than the House bill. The report of the conference committee upon the Postoffice Appropriation bill was taken up, and the Senate concurred in the House amendment increasing the amount appropriated for "special facilities on trunk lines" from \$180,000 to \$250,000; but the the remaining Senate amendments to the bill were insisted upon. Consideration of the Utah bill was then resumed. After debate, without action, the Senate wont into executive session and soon adjourned. ... In the House bills were introduced and referred; By Mr. Follett, granting 160 acres of the public domain to over honorably discharged Union saldier and salor of the late war; by Mr. Belford, for the erection of a Union and Confederate Soldiers' Home at Denver.
